Singida is one of the 26 regions of Tanzania, and belongs to the Central Zone of Tanzania. The total population of Singida Region is approximately 1,551,766.

The proposed Ushora Prisons Camp Water Supply Project is situated in **Iramba District**, Ndago ward, Songambele Village.

The current situation

OBJECTIVE OF THE PROJECT

The objective is to drill an additional borehole and install a mechanized system to supply to a limited number of Domestic points for service improvement.

The users of this particular water point are:

a) Total number of people who are depending on the water supply = 1492

b) Institutions that depend on the borehole:

1 prison

1 primary school

1 dispensary

1 church.

c) Animal population served:

Cows = 168

Goats = 196

Poultry = 1000 approximately

Sheep = 68.
